STAT

MEMORANDUM FOR: [REDACTED]

SUBJECT : E. O. Request - Ian J. Bickerton  
IPS E 76-197

I really don't see anything in the attached documents which pertain to the CIA except perhaps the reference to "high-flying reconnaissance planes" in the appendix to the Eisenhower Memorandum For The Record. That reference, I imagine, should be referred to the DDS&T; otherwise, it appears to me that the release of these documents is entirely the responsibility of the White House, NSC, and the Department of State.

[REDACTED]

DCI/FOI Officer
